

NOTICE OF PRIVACY PRACTICES

Effective Date: UPDATED 01/01/2026

Overview

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED. (PLEASE READ IT CAREFULLY)

The health screening programs (the "Screening Programs") provided by Medical Screenings Unlimited (MSU) are designed to help you assess your risk for disease and provide information about common health issues.

MSU respects your personal privacy and is committed to protecting it.

Your Acceptance of this Notice

By participating in this Program, you signify your acceptance of the terms of this Notice of Privacy Practices.

Information Submitted and Collected

You must complete a personal health questionnaire regarding your medical history.

Your responses may be used for research, improvement of services, and to provide information about health issues.

- To conduct market research
- To disclose aggregate analyses
- To advance understanding of disease
- To provide health-related information

Sharing of Information

MSU will not sell or disclose your personally identifiable health information without your permission.

De-identified information may be used for business purposes.

Voluntary Participation and Withdrawal

You can choose not to complete the questionnaire and may withdraw consent at any time.

Security

MSU uses administrative, physical, and technical safeguards to protect your information.

Only authorized employees may access personal data.

Accountability

Contact privacy@medicalscreenings.com with any concerns.

You may also file a complaint with the U.S. Department of Health and Human Services.
